What retreat participants said....

"Thanks for the most wonderful and inspiring weekend! It's hard to express how wonderful the power of the weekend was for me, but I can only express thanks to you and Grant for that. You are both extraordinary people who will stay in my memory and heart for ever. The experience with you both, your beautiful environment and the healers/therapists who gave to us was a life-changing two days! I am sure that you both know that what you offer is extraordinary!"
Helen, Melbourne

"Thank you for your inspiration & vision- creating such a wonderful healing & spiritual space to nurture like-minded souls on this wonderful journey. Namaste". Heather, Elderslie

"Thank you so much Julie and Grant for a most Special retreat weekend. Mum and I loved it. We were brought out of our comfort zone on several occasions and felt so much joy for it. Thank you thank you thank you. From the moment we drove through your gate, we were in awe, and knew we were definitely in for a treat. Over the course of the weekend, everywhere I looked - both inside and outside, there was so much beauty, peace, tranquility and inspiration. Thank you for sharing your beautiful 'selves' with us. We will definitely be back." Deborah & Jan, Camden
